

# NEW ENGLAND COALITION on NUCLEAR POLLUTION

## 46<sup>th</sup> ANNUAL MEETING

*Bring a friend! The public is encouraged to attend.*

**SATURDAY, OCTOBER 21 @ 1:30 pm**  
**118 ELLIOT STREET, BRATTLEBORO, VERMONT**

**Is this our future?**

**What happens next is up to you.**

**Please bring yourself, your ideas, and your support to our Annual Meeting!**

NEC proudly welcomes David Kraft – educator, organizer, and founder/director of Nuclear Energy Information Service. David will speak to the issue of our times as we work to safely decommission Vermont Yankee. Our lineup also includes a video greeting from Winona LaDuke, executive director of Honor the Earth, a Native environmental advocacy organization; our own workhorse Ray Shadis; and Arnie Gundersen, director and chief engineer of Fairewinds Energy Education.

- 1:30 Mingling
- 2:00 NEC Members Meeting
